ACC BOOKKEEPER POSITION UPDATE

April of 2019 the members of the Amery Community Club unanimously voted to hire a bookkeeper due to the increase of dollars the club is responsible for managing. Marie Knutson was offered the position and has been training throughout the summer months. As a Board of Directors we felt an update on the cost and effectiveness of this position was necessary.

There is a very large learning curve associated with Quick Books. Since the Amery Community Club manages a large amount of dollars, it warrants a bookkeeper that remains constant and consistent in dealing with the account.

Marie has embraced this position and takes it very seriously. As a Board of Directors we are extremely happy with her performance and feel it is a very positive and good decision in moving forward and being accountable to our members.

The **School District of Amery ‘Like a Warrior’** initiative publicly displays the strong relationship between the Amery-area community and Amery Schools, but most importantly, it shows our young Warriors that they are part of something much bigger than themselves. We want everyone to be proud of their school, to be proud of their community, and to feel a strong sense of ‘belonging.’

With the excitement of a new school year, the upcoming Fall Festival community celebration, and the annual Homecoming celebration, we are once again spotlighting our campaign.
